

eBooks: reading on a computer

eBooks:

- eBooks are electronic books.
- There are two main types of ebooks: ebooks that you read and audio ebooks that you listen to.
 - The library provides ebooks through two databases: OverDrive and 3M.
 - eBooks are available for free through these databases for library cardholders.
- Devices on which ebooks can be enjoyed include, but are not limited to, the following:
 - Android devices (using OverDrive or 3M)
 - iPhones and iPads (using OverDrive or 3M)
 - eink Kindles (using OverDrive only)
 - Kindle Fires (using OverDrive or 3M)
 - PC and MAC (using OverDrive in a browser or a free downloadable ereader from 3M)

OverDrive:

- The following formats are available for many of the titles available through OverDrive:
 - Adobe EPUB eBook (appropriate for devices other than Kindles)
 - Kindle Book (appropriate for Kindles)
 - OverDrive Read (appropriate for computers)
- The information below focuses on using the OverDrive Read format on a PC. This format works similarly on a Mac.
- The OverDrive Read format allows the books to be read in the browser.
 - No additional software must be downloaded.
 - Bookmarks are stored in the cloud, which means they are available even if you start reading the book on one computer and then move to another computer.
 - This format works with both PC and Mac.
 - It also works with browsers on many tablets and phones.
- Requirements for using the OverDrive Read format include the following.
 - A new browser is needed such as Internet Explorer 10, Firefox, Safari, or Chrome.
 - Chrome is recommended for Windows XP, Vista, 7, and 8.
 - An Internet connection is required while reading the book. To view a book offline, a format other than OverDrive Read and additional software must be downloaded.
